

# Welcome to 1st Battalion 14th Infantry Regiment

To our Mighty Golden Dragons, we are very excited and proud to welcome you to this great team.

If you are new to the 1st Battalion, 14th Infantry, or are in the process of moving to the historic Tropic Lightning Division of the US Army Pacific, I encourage you to contact our Reception team at 808-655-9924. Our reception team will assign you a sponsor--someone who has already gone through the challenges of a PCS to Hawaii. We really do want to make the transition for you and your family as easy as possible.

We also have our own Battalion Facebook page **Here**. Contained within the page, you'll find a welcome packet, some helpful pointers for preparing your PCS and for when you arrive, and the current operations of the 1-14 Infantry family. It is worth checking out now, and throughout your assignment here.

Speaking of current operations, the Golden Dragons of 1-14 IN are returning from a world-class training exercise at the National Training Center in the high Mojave desert of southern California. The Soldiers of 1-14 IN demonstrated again that they represent the best our Army has. We take leader development, tough, realistic training, and caring for Soldiers and Families very seriously. We train tough, learning and improving along the way, and making our core competencies even stronger. We expect a lot out of each other and we also help each other get better every day.

We'll spend the upcoming weeks focusing on physical training, marksmanship, medical skills, and small unit drills. These are the fundamentals that prepare us for any mission, anywhere, any time. It is an exciting

time to be in 2nd Stryker Brigade Combat Team and the 25th Infantry Division. This, like all other missions, will be a team effort - all of us working toward mission readiness and excellence.

Since 1861, this has been the hallmark of this infantry battalion: mission readiness and excellence. From Gettysburg to Peking, and Chosin to Tal Afar, where the nation calls, 1-14 IN answers.

Expect more updates from me and CSM Bartlett (Dragon 7) as time goes on. We'd love to hear from you and how we can make the team even stronger, more ready, and performing at higher standards of excellence.

We are the GOLDEN DRAGONS, and we are the RIGHT OF THE LINE!!

## **Mission Statement**

On order, 1-14 IN rapidly deploys by land, sea, and air to any contingency area and conducts decisive operations to close with and destroy the enemy through close, violent combat, while supporting regional command objectives.
